

#BrewStacheStrong

a collaboration in support of brain cancer research

Hi all,

Propagate Lab has partnered with StacheStrong to help support and fund brain cancer research in the hope that we can one day eliminate this insidious disease.

To try and maximize the amount of your donation, Propagate Lab is offering 30% off any pitch to be used for a StacheStrong brew.

The following strains are 30% off and available for next day shipping:

MIP-100 - Chico Ale Variant I
MIP-102 - Chico Ale Variant III
MIP-110 - Hazy IPA
MIP-120 - Juicy IPA
MIP-130 - Malty IPA
MIP-150 - American Wheat
MIP-166 - Foggy IPA
MIP-212 - Belgian Ale II
MIP-220 - Belgian Dwarf Ale
MIP-340 - Voss Kveik
MIP-343 - Ebbegarden Kveik
MIP-353 - Stranda Kveik

MIP-354 - Oslo Kveik
MIP-410 - Dublin Ale
MIP-420 - Scottish Ale
MIP-431 - English Ale I
MIP-511 - Colorado Kolsch
MIP-513 - German Hybrid
MIP-521 - German Hefe I
MIP-620 - Andechs Lager
MIP-640 - Festbier
MIP-650 - Czech Lager
MIP-660 - Mexican Lager

All other strains are available but will have a lead time and not be discounted.

Before placing an order, please contact Colin Gerner, President of StacheStrong at StacheStrong@gmail.com or (607) 761-0365.

Orders can be placed online at www.propagatelab.com. Just mention #BrewStacheStrong in the comments and we'll be in touch. Shipping rates are just estimated, so if something looks off, give us a call for a better idea.

Cheers, and let's get radical for StacheStrong.

Marty
